

“Agriculture Across the Curriculum”

at Munnell Run Farm

- Addresses Agriculture & Society academic standards to help prepare for Environment & Ecology PSSA
- Targets 3rd and 4th grades
- Project funded by a 2005 DEP Environmental Ed. Grant

Three program options available:

1. Field Learning Experiences:

- Take place at Munnell Run Farm
- Pre- and post-trip materials provided
- Minimum of 4 hours for instruction plus a lunch break
- \$4.00/student
- Dates available in September/October and April/May

2. In-class Programs:

- We can teach programs in your classroom upon request
- \$2.00/student
- Dates available upon request

3. Teaching Trunks:

- Totally self-contained lessons that augment the field learning experiences, available to borrow for in-classroom use (or we can come and teach them)

Please call Jill Shankel for more information or to schedule a program, (724) 662-2242.
