Tools For Learning About Agriculture

Lesson Plan & Activity Guide Survey

Would you please take a few minutes and complete this survey once you have had a chance to look through the lesson plan and activity guide? Your feedback is very useful as we continue to produce educational materials for use in the classroom. You can log on to our website and complete the survey online or write your responses on this paper and mail it to us.

If you would like more information about bringing your class to the Farm for a Field Learning Experience that reinforces and expands upon the concepts in this guide, please call or e-mail Jill Shankel, Education Coordinator. Thank you for your time and feedback. We hope that this lesson plan and activity guide will be a useful tool that will help you bring agriculture education into your classroom.
